

LEADING THE
CHARGE

Continental
BATTERIES

Continental Battery leads the field of battery distributors with best in class product offering, service, and availability.

Our Automotive line of batteries is the most complete offering in the market. We offer 99% coverage for the automotive market giving you the ability to say yes to your customers when others can't.

From traditional flooded/wet batteries to newer technologies like AGM. At Continental Battery, we have a solution for all your battery needs.

Our nationwide distribution network means that we deliver unbeatable products at the best price.

Continental Battery is truly leading the charge.

THE CONTINENTAL BATTERY STORY

As a reliable battery distributor since 1932, Continental Battery stands on the same principles and ethics it was founded on. Our customer relationships have allowed us to embrace tremendous growth, expanding to more than 90 Nationwide Branch Locations and allowing for distribution to over 30,000 dealer locations.

Wholesale and retail resources remain our greatest priority!

We look forward to serving you today and for the next century to come!

***More Than 100 Locations in 25 States
AND GROWING***

To find the location closest to you, please visit
